bradcallen.com Error establishing a database connection

Today morning onverds I'm getting error when I go to bradcallen.com.

Below error were reported in support ticket page.

Warning: mysql_connect() [[function.mysql-connect](#)]: Too many connections in
/usr/www/users/linkmetr/bradcallen/support/includes/functions.php on line 428
Too many connections

Also when I started keyword Elite 2, I could not verify my license.

29th May

Just an update, today also I got the same error(Error establishing a database connection). Also when I started keyword Elite 2, I could not verify my license.
